Title (of the Motion)	**Establishment of a European Centre for Linguistic Diversity**

The European Free Alliance calls on the European Commission to establish an EU-funded Centre for Linguistic Diversity and Minority Languages.

Reasoning:
In order to promote linguistic diversity and the regional and minority languages of Europe, we call – in line with the Minority Safepack Initiative – for the establishment of a European Centre for Linguistic Diversity.

The Centre should strengthen awareness of regional and minority languages and promote linguistic diversity at all levels. Furthermore, a shared knowledge pool should be established, accessible to all relevant stakeholders in the field of regional and minority languages.

The primary focus of the Centre should be on Europe's smallest and most endangered linguistic communities.

Please see Article 7 of EFA's Rules of Internal Order for the rules regarding motions.
